Your admit card and the “Instructions to Examinees” will appear on the screen. You can then print the same in A 4 size paper.

3. Will the admit cards contain my photograph and signature?

Yes, if the application you have submitted contains them.

4. My photograph and/or signature are not there in the admit card. Is it valid?

Yes. It is valid. In case the admit card does not bear the photograph and signature of the candidate, he/she is advised to paste the photograph and affix signatures in the area marked on the printout of the admit card and get this page attested by a member of the Institute (member may indicate his/her Name, membership number, and office stamp while signing/attesting at the bottom of that page) and carry the same to the examination centre, in duplicate, as proof of his/her identity. 9. I have a valid exemption in a paper. However, the admit card does not show that exemption. Will I get the exemption?

Exemptions granted to you are not shown on the admit card. Please go through the relevant statement of marks of the exam, where in your opinion, you were granted an exemption in a paper(s).

Alphabet "E" printed against the marks of a paper denotes that marks of that paper have been brought forward from an exemption granted in that paper in an earlier attempt.

So also, "#" symbol printed against the marks of a paper denotes that you have been granted an exemption in that paper, which will be valid for the next three following exams. Also the result below that Group shows "F-EX"

If no such symbol or alphabet is printed against the marks of any paper, even though the marks obtained in that paper may be more than 60, then that indicates that no exemption has been granted in that paper.

You can log in with your single sign on credentials at <https://icaiaexam.icaai.org/> after the release of Admit cards for May 2022 exams to check your exemptions.

Candidates are advised to go through the rules relating to "Exemption in a paper(s)" contained in the Guidance Notes hosted along with the Examination form, CA Regulations 1988 and the announcement dated 09-01-2018 hosted on

the institute's website www.icaai.org and be clear about their exemption entitlements and not miss out on appearing in those paper/s where they are not eligible for exemption. Candidates can also check the status of the paper(s) in which they are eligible for exemption in the forthcoming examination, at <http://icaiaexam.icaai.org>.
